BE THE BARISTA

Smart meets Craft

Fast, barista quality coffee is expected to become one of the quickest growing markets in food and drink retail.

SPEED - CONTROL - CONVENIENCE - EXCELLENCE

Fabulous coffee; fast

PREMIUM CRAFT COFFEE FROM YOUR PHONE TO CUP

There is a real need for convenient barista quality coffee on the go. With reduced queueing and total customer control over their beverage.

Craft coffee

BEAUTIFULLY CRAFTED FOR FLAVOUR & CONSISTENCY

Amokka coffee is the result of close collaboration between our coffee producers, master roasters, baristas and technicians. Consistency of drink quality is key to ensure customers return and have full confidence that they will always get an exceptional drink every time.

The perfect pour every time

Amokka single origin & blends

WE HAVE A WIDE RANGE OF
BLENDS AVAILABLE,
EACH WITH A UNIQUE
TASTE PROFILE

Partners & friends

WE ARE PROUD TO HAVE A DIRECT
RELATIONSHIP WITH COFFEE
PRODUCERS IN BRAZIL, NICARAGUA,
PERU, NEPAL AND ETHIOPIA & MORE.

Contemporary artisans in today's world

Precision through knowledge, craftsmanship and
technology to deliver superior taste and a truly memorable
coffee experience every time 24/7.

PERFECT COFFEE EXTRACTION

Speciality choice from superior fresh milk steaming

The perfect steamed milk with micro-bubbles for a velvety finish to speciality coffees such as Latte, Flat White, Mocha and Cappuccino.

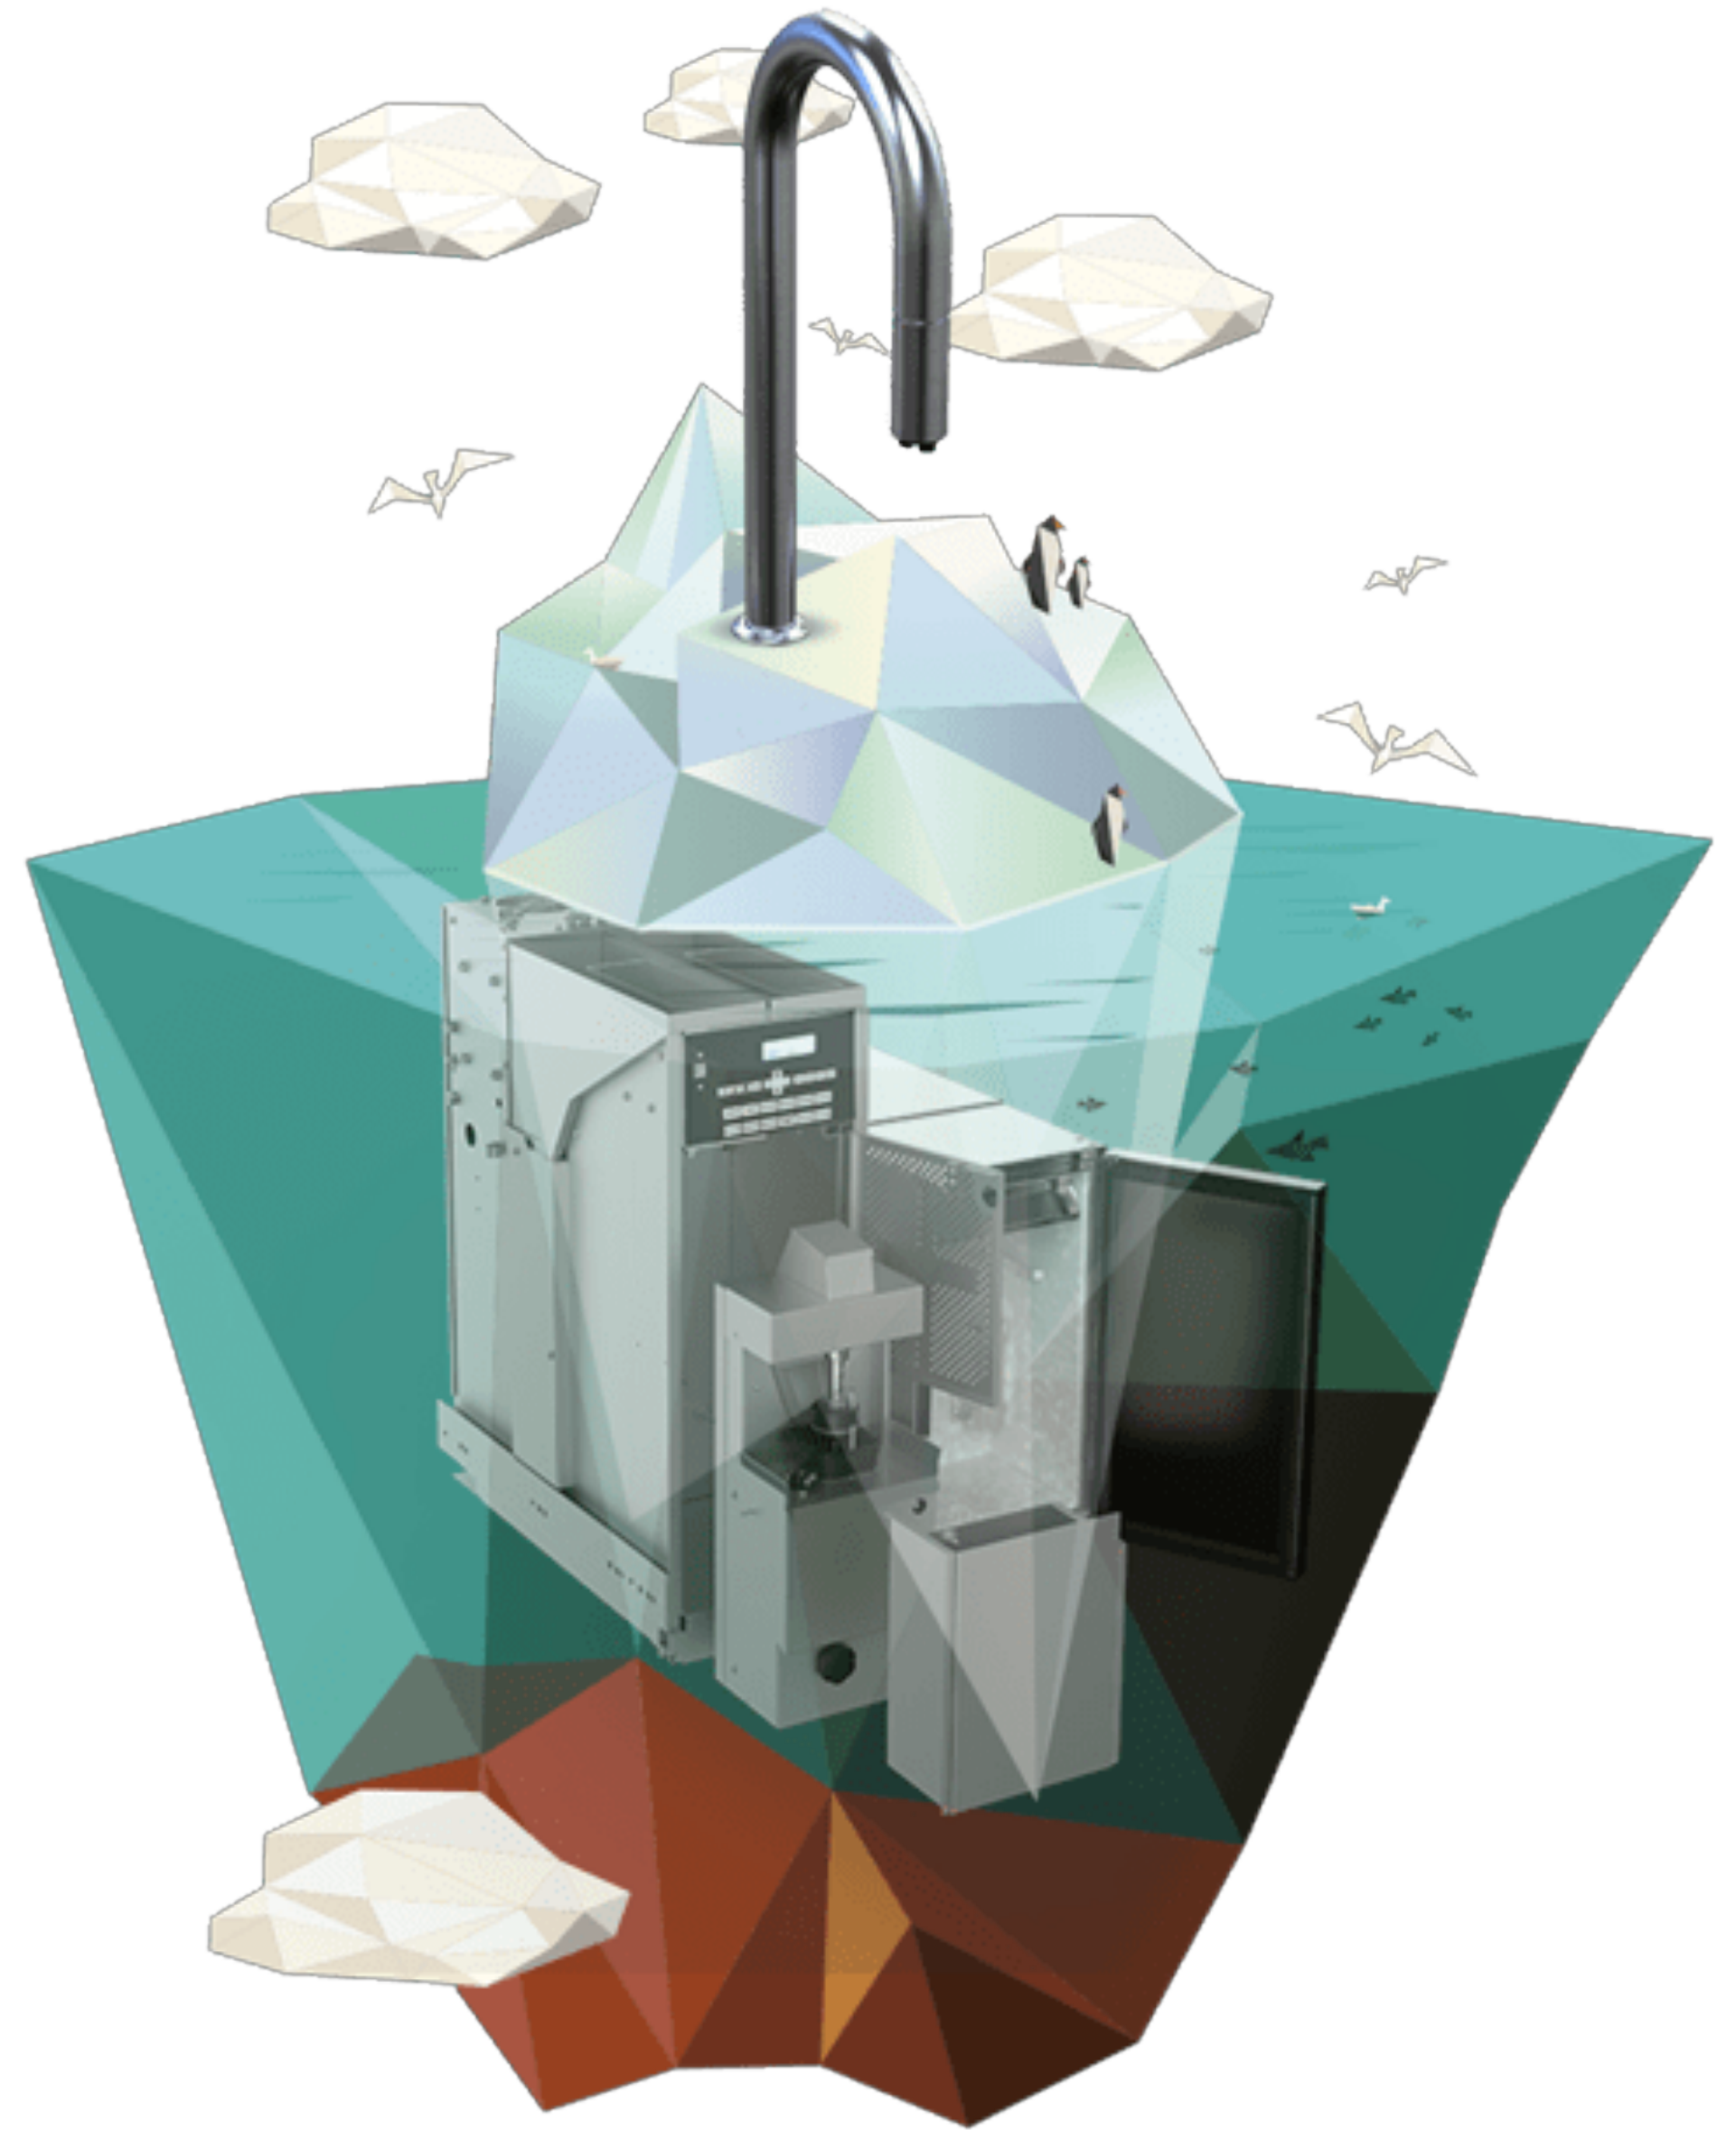

THE WORLD'S SMALLEST MILK FOAMER

99% under-counter for ultimate design freedom

We have turned coffee machine design on its head to focus on the customer experience, the beautiful aesthetics of specialty coffee brewing and hygiene.

YOUR OWN SKILLED BARISTA UNDER THE COUNTER

Choice, control and flexibility for all

With remote app-control and cloud management services, you are in complete control of your coffee experience. We have taken our touchless coffee experience to a whole new level with the launch of TopBrewerVoice - a Siri enabled shortcut that allows you to seamlessly order your favourite premium coffee using just your voice.

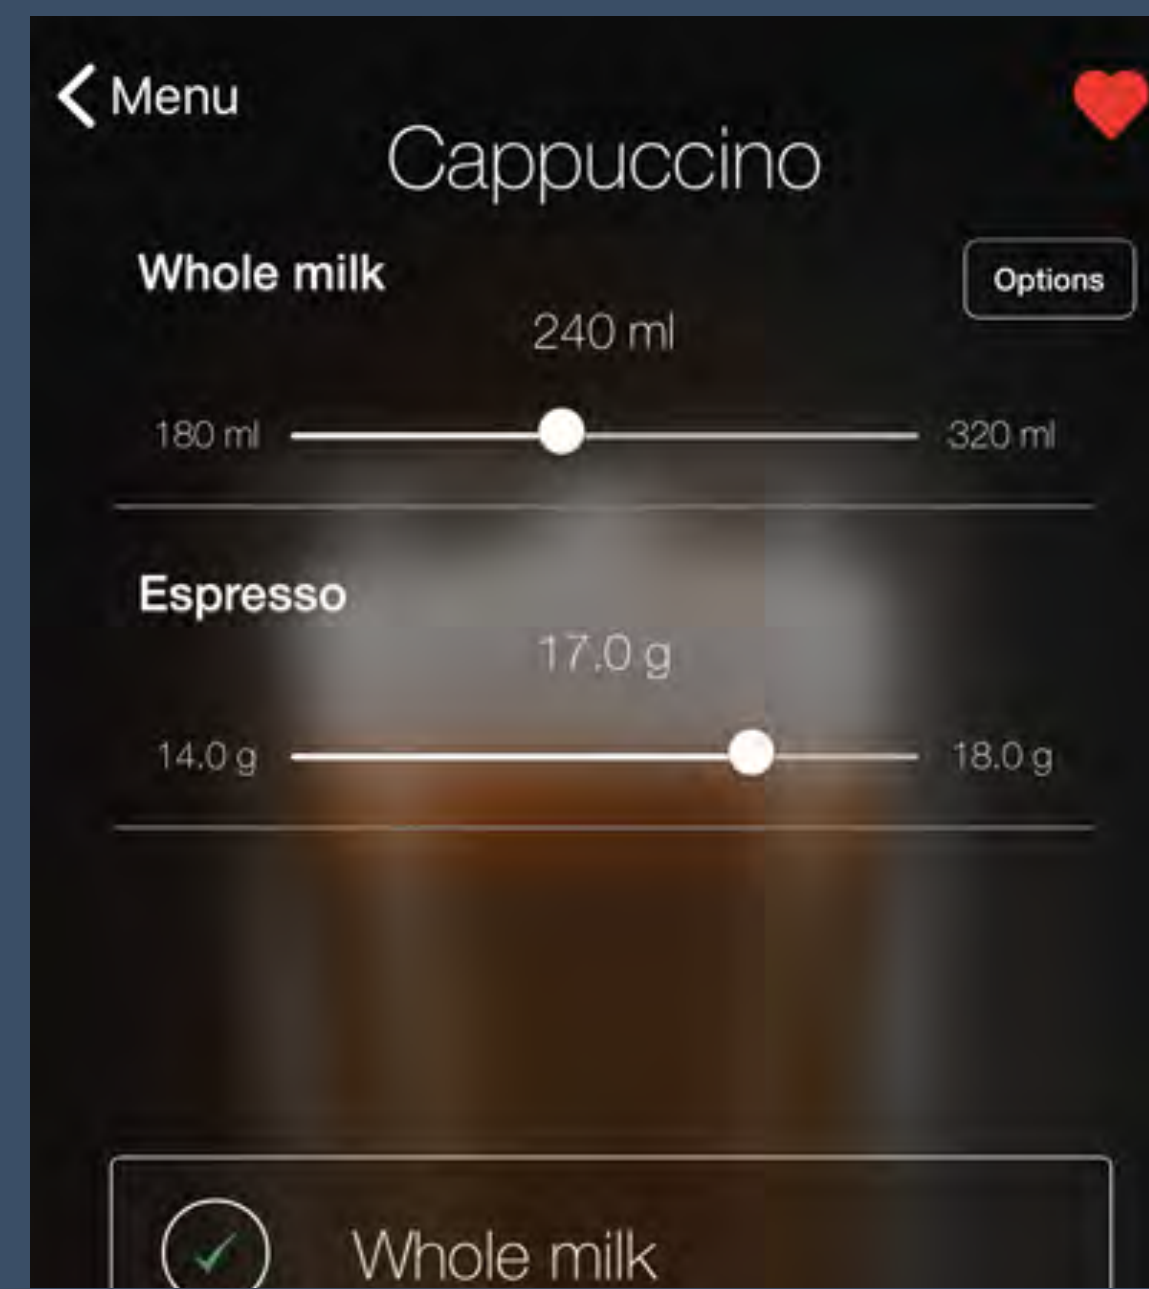

TopBrewerVoice | works with Siri
